I take it Desean is an Attny in R-9? Have you worked with him before?

I think we can try that (Collette I am happy to sit in on it with you).
 Then we can see what Desean says.

Based on past experience, I suspect this will not do the trick. I suspect that Richard & Deldi will want a call with you, but who knows.

Thanks, Mary

Collette and Mary: Just thinking would it be appropriate for Collette to have a call with DeSean from a lawyer to lawyer perspective, based on Collette's research?

Hi Kurt, hoping not to lose track of this. Seems like a very pivotal issue from here, but also seems like best first approached with low key staff discussion to frame the issue/question. I can schedule from here if you'd prefer. Thanks
